Dear Friends

On behalf of Suhail Bahwan Automobiles, let me at the onset deeply acknowledge your time to initiate discussions with us and provide us with an opportunity to offer a special summer bonanza for MoE employees. It is imperative for us to pay tribute to all the employees of MoE for their selfless dedication at work that has helped in making the Sultanate emerge as one of the top literate states in the entire GCC.

Similar to 2010, we have designed a comprehensive bouquet of offering specifically for MoE employees for Nissan range of vehicles. I am sure our friends in MoE will find this offer attractive and unique as this would not be available to anybody else in Oman.

We are confident that we can jointly work towards providing the employees of MoE happy automotive solutions and we look forward to your support to implement this scheme and work towards a 'win-win' situation.

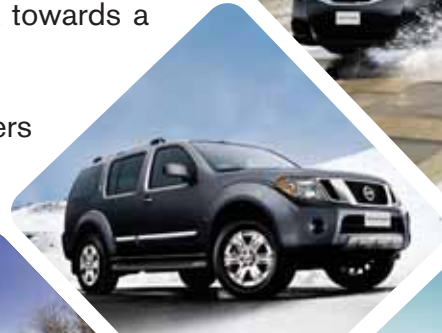

The offer enclosed supersedes all our earlier offers made to MoE and will be applicable on all purchases made by MoE employees till 30th June, 2011.

With best regards,

For **Suhail Bahwan Automobiles LLC,**
